## Students' Guide to using Teams

Microsoft Teams

Canllaw  
myfyrwyr i  
ddefnyddio  
MS Teams

**Devices:**

Laptop

iPad with Apple Pencil

Mobile phone with MS Teams

**Dyfeisiau:**

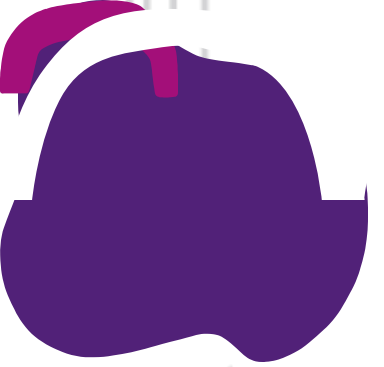

Gliniadur

iPad gyda phensil Apple

Ffôn symudol gyda MS Teams

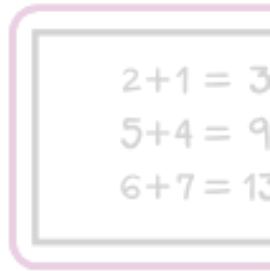

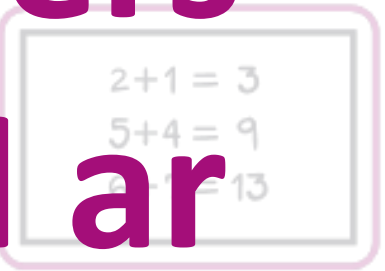

**Sut allwn ni  
ddysgu gwera  
o ansawdd ar  
lein?**

**How can we  
teach a high  
quality lesson  
online?**

## Sicrhau llwyddiant yn eich gwrs ar lein

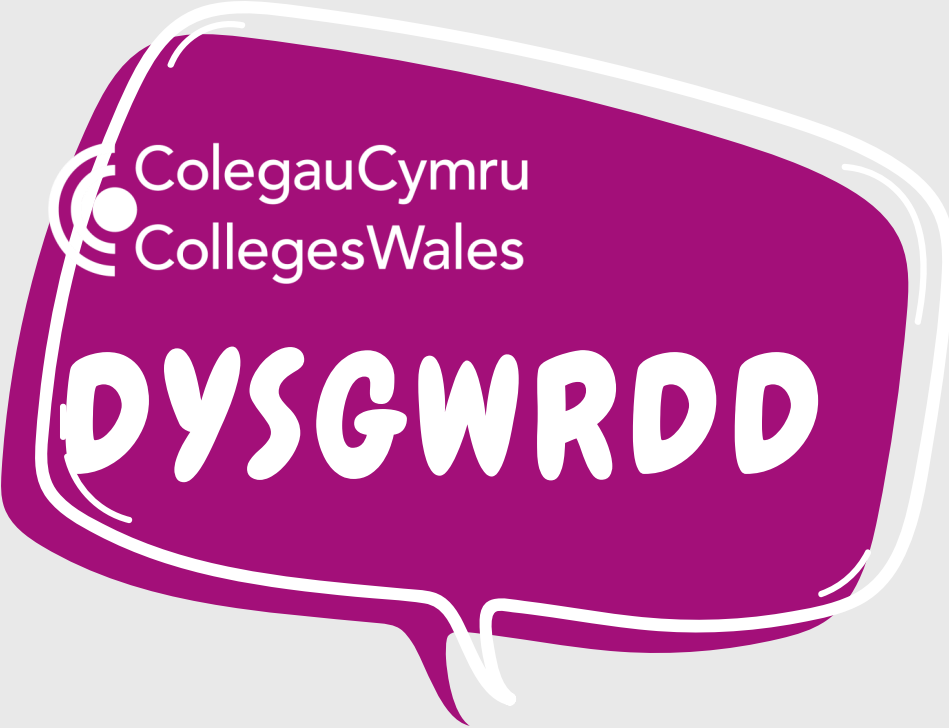

Er mwyn dysgu gwrs o ansawdd ar lein, mae angen i ni ryngweithio â dysgwyr mewn ffordd sy'n efelychu arfer da yn yr ystafell ddosbarth:

**Aseiad**  
**Her**  
**Ymgysylltu**

## ACE your online lesson

To teach a high quality lesson online we need to interact with learners in a way that replicates good practice in the classroom:

**Assessment**  
**Challenge**  
**Engagement**

## Ymgyslltu

Mae ymchwil yn dangos bod angen i ddysgwyr gymryd rhan weithredol mewn gwrs ar lein bob ychydig funudau.

- Dywedwch helo...
- Siart Tally
- Cwestiynau cyflym gan ddefnyddio cwis neu'r blwch "Chat"
- Camerâu ymlaen?

## Engage

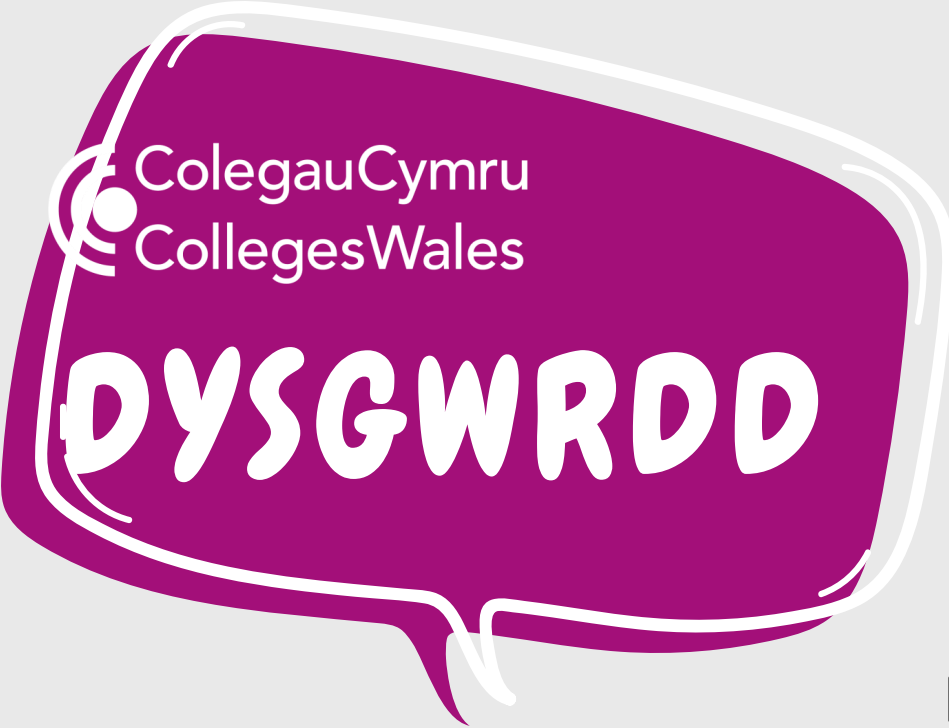

Research shows that for learners to be engaged in an online lesson they need to participate actively every few minutes.

- Say hello...
- Tally Chart
- Quickfire questions using either a quiz or Chat/Posts
- Cameras on?

Y Coleg  
Merthyr Tudful  
The College  
Merthyr Tydfil

## Her

Defnyddiwch dasg estynedig:

- e.e. cwestiwn o gyn papur.
- Trafodaeth mewn ystafell ymneilltuo.
- Dadansoddi, Gwerthuso, rhywbeth creadigol.

Dilynwch y dasg gyda chwestiynau dan gyfarwyddid i sicrhau dealltwriaeth.

## Challenge

Use an extended task:

- e.g past paper exam question.
- Discussion in a breakout room.
- Analysis, Evaluation, something creative.

Follow this task with directed questioning to further understanding.

The College  
Merthyr Tydfil

## Aseiad gydag Adborth o Ansawdd

Rwy'n defnyddio iPad a phensil Apple ar y cyd â 'Class Notebook' Microsoft i weld, marcio ac anodi gwaith estynedig.

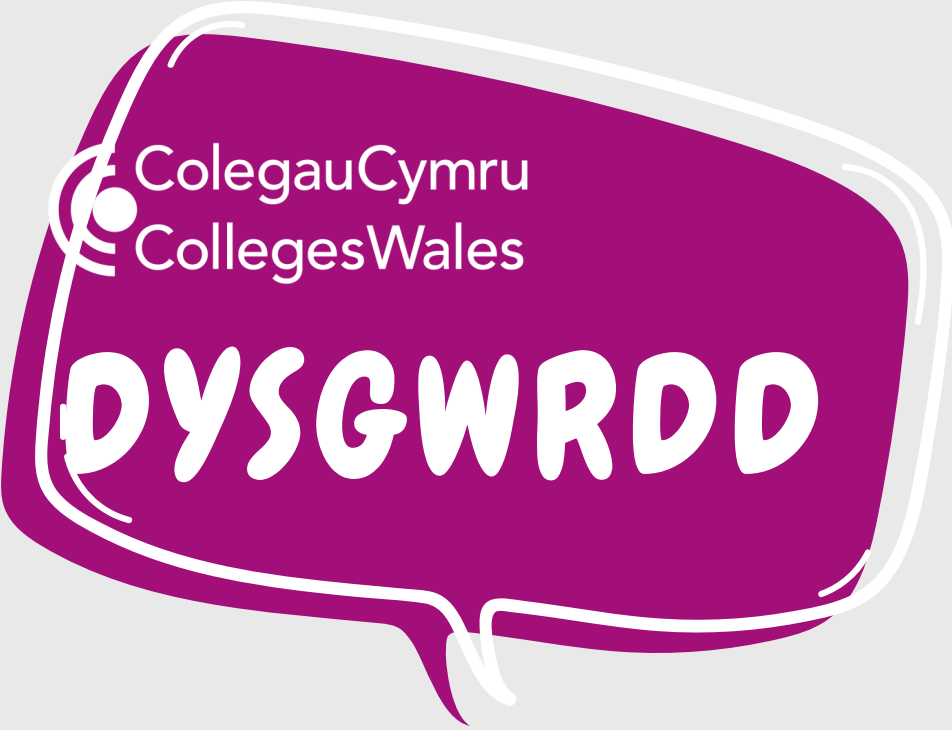

## Assessment with Quality Feedback

I use an iPad and Apple pencil in conjunction with Microsoft 'Class Notebook' to view, mark and annotate extended work.

Well done. A good improvement.  
You are working hard.  
Keep it up. *[Signature]*

# Effaith

# Impact

Sut i raddio gwahanol fathau o weithgareddau gwersi ar lein.

## 1. How do you rate different types of online lessons activities.

[More Details](#)

Ardderchog, Da, Cyfartal, Dwi ddim yn ffan

■ Excellent ■ Good ■ Average ■ I'm not a fan

Gwersi sy'n dilyn amserlen

Gwersi byw ar Teams

Gwaith yn cael ei ddanfôn dros ebost

Athro yn rhannu sgrin

Lessons that follow timetable

Live lessons on Teams

Work sent by email.

Teacher sharing screen

Dim ond yn ateb gyda Chat

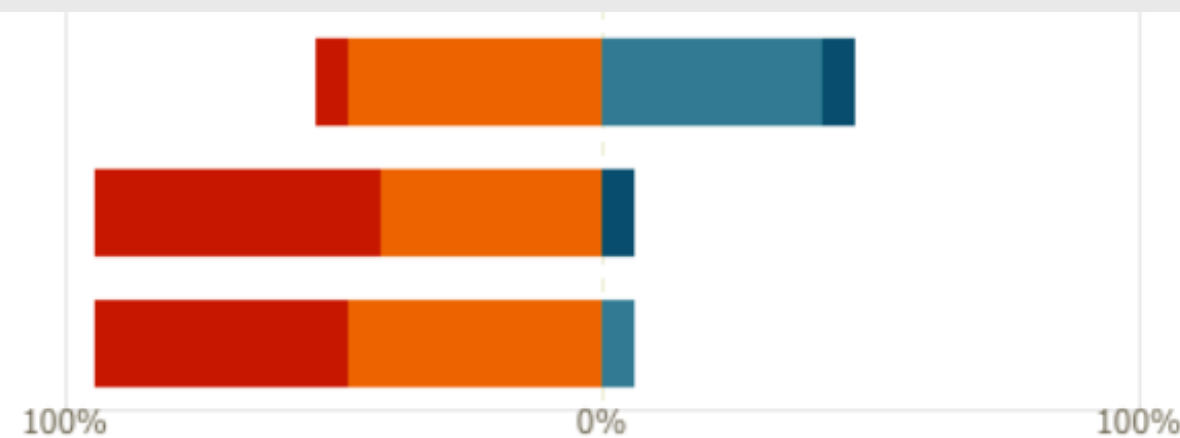

Cymysgedd o atebion ar lafar ac wedi ei theipio

Ansawdd cyffredinol y wers ar lein

Only answering with Chat.

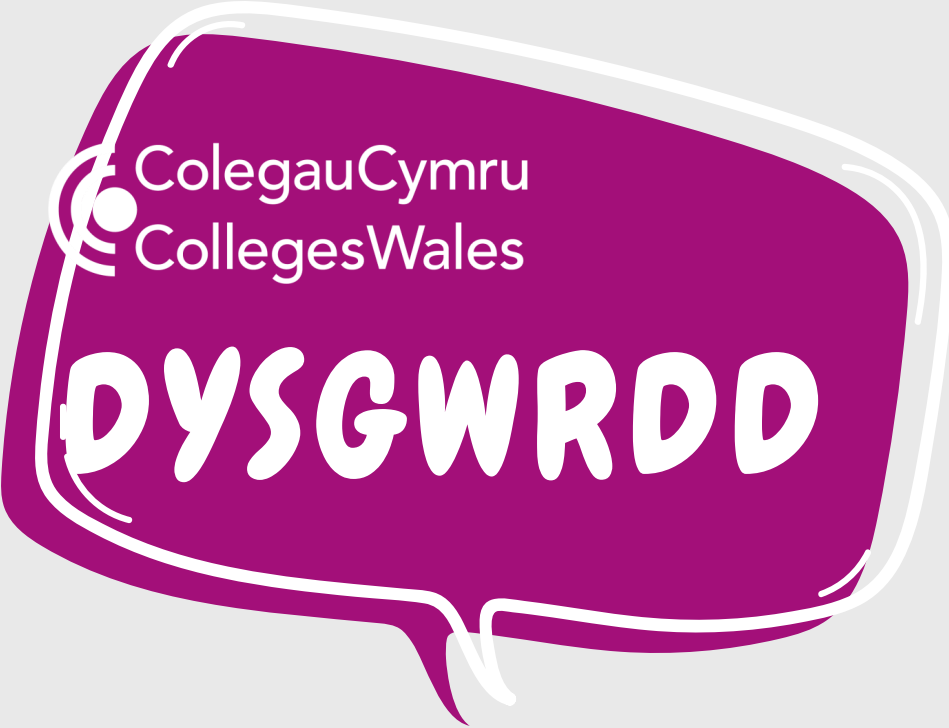

Mixture of verbal and typed answers

Overall quality of online lessons

# Effaith:

Adborth Dysgwyr

*"Rwy'n mwynhau gwersi byw sy'n dilyn amserlen y coleg gan ei fod yn helpu wrth gynllunio adolygu ac ati. Mae'n well gen i ddefnyddio cymysgedd o ddulliau ateb ar lafar a theipiedig yn dibynnu ar hyd a chymhlethdod yr ateb sy'n ofynnol."*

*"Rwy'n mwynhau'r gwersi byw gan eu bod yn hawdd cael mynediad atynt ac yn helpu i'ch cadw mewn trefn gyson. Rwy'n mwynhau ateb cwestiynau ar lafar, mae'n gwneud i mi deimlo'n fwy o ran y wers ond rydw i hefyd yn hoffi defnyddio'r Chat gan ei bod hi'n hawdd ac yn llai o bwysau."*

*"Rwy'n hoffi derbyn adborth a beth i wella arno."*

*"Rwy'n hoff o rannu sgrin gyda'r iPad fel bwrdd gwyn a chydweithio i ddatrys problemau."*

# Impact:

Learner Feedback

*"I enjoy live lessons which follow the college timetable as it helps when planning out revision etc. I prefer to use a mixture of verbal and typed answer methods depending on the length and complexity of the answer required."*

*"I enjoy the live lessons as they are easy to access and help to keep you in a routine. I enjoy answering questions verbally, it makes me feel more involved but I also like using the chat as it is easy and less pressure."*

*"I like having feedback and what to improve on."*

*"I like the screen sharing with the iPad as a white board and collaborating to solve problems."*
